04	Nozel	04 Nos.
05	Fuel Pipe	02 sets.
06	S T Coil	02 Nos.
07	Fuel Pump Assembly	02 Nos.
08	Glycol	150/- ltr.
09	Radiator	06 Nos.

Objective: The main objective of this procurement is to provide compatible spare parts for the existing central heating plant at PHQ Ladakh. The supplied products should be original and ensure the proper functioning of the heating plant.

Features and Specifications:

- Product Integration:** The spare parts must be compatible with the existing plant for seamless integration and functioning. Interested parties may visit the plant site to gather details of the machines and parts required.
- Technical Specifications:** Interested parties should provide technical specifications of the items, and financial implications, if possible, should be included in the submission.
- Procurement Mode:** The preferred procurement mode includes GeM (Government e-Marketplace), CPP (Central Public Procurement), or any other online platform.
- Submission Requirements:**
 - o A **Letter of Interest** clearly indicating the willingness to supply the required items.

- **Company Information** including an organization structure.
- A description of **Quality Assurance & Quality Control practices** for similar work.
- A **Company Profile** detailing relevant experience.
- **Technical Specifications, pricing, and mode of sale** for the required spare parts.

Submission Details: Interested parties involved in the supply of such products should submit their EOI by **25.10.2024** addressed to:

AIG (Provision), PHQ, UT Ladakh
Email: aig-prov@police.ladakh.gov.in

For additional information, please contact us via the email above or by phone at **01982-260888** by **23.10.2024**.

Note: This EOI is for gathering technical details and financial implications, and does not determine the qualification of a bidder for future contracts or procurements.
